Waterloo
Prize Winning Humorous Essay

By Gloria Cherry
An innovation of our present educational system was the course in humor recently proposed by an Eastern university...

Winners in the 1936 Wooden Horse Literary contest are, left to right, Gloria Cherry, Dorothy Luther and Anna Belle Maloney...

By Dorothy Luther
There was that moment in Napoleon's tempestuous existence when the blue sky above seemed like just so much exciting plaster falling down on his head...

Winners in the 1936 Wooden Horse Literary contest are, left to right, Gloria Cherry, Dorothy Luther and Anna Belle Maloney...

By Anna Belle Maloney
Josie Lee wondered, as she arched the jongs in the white bowl, if she had gone completely mad...

By Augustus Dorn
This night is more than I can bear to look upon;
Those stars too bright, that moon too near...

By Dorothy Luther
The three days were finished now, and Peter and Josie Lee were driving back through the night...

By Dorothy Luther
Neither of them talked much; there was no need for conversation. She slipped out of her dress...

By Dorothy Luther
The events of the three days before were already misty in her mind. That had been simple an escapade. This was her life...
